TWO MILLION DOLLAR FIRE VISITS VICTORIA

Troops Were Called Out to Aid Firemen and With Difficulty Save Shipping Section--District Destroyed Is the Retail Section.

By Associated Press.

VICTORIA, B. C., Oct. 27.—A fire which started late last night and burned with unabated fury until this morning, swept through the business section of Victoria, wiping out several of the finest buildings in the city, inflicting a loss roughly estimated at from a million and a half to two million dollars. Huge firebrands floated on the high wind towards the water front, and it was with the greatest difficulty that the firemen, aided by the militia and the garrison from the barracks, kept the flames from burning a broad path to the water's edge.

Many blazing embers were carried over vessels in the harbor, and several unprotected pleasure craft caught fire and burned like floating beacons in the bay.

The fire started in the depart-

ment store of the David Spencer company and was soon entirely beyond control. The troops were ordered out not only to aid the firemen but to preserve order among the terrorized and half-clad crowds on the streets.

Some of the most important buildings in the city, among them being the Times office, the Five Sisters building, the Royal bank, the Young's department store building and the Pemberton building. The Driad hotel was saved, though severely damaged. The guests of the Driad rushed into the streets leaving their effects behind.

The district burned over is in the heart of the retail section, and included all buildings between Broad street from Fort street to the alley back of Trounce street. No fatalities are reported.

PROGRAM AT BUTLER THEATRE FOR TONIGHT

BEAUTIFUL BIOGRAPH DRAMA
WILL BE THE FEATURE
FILM

The program of the Butler theatre for today is as follows:

"Poems in Pictures," consists of some very beautiful photographic work. The scenes are taken from some of the world's best poetry and it will not fail to entertain the most critical. "A Dummy in Disguise" is a very laughable comedy in which an individual conceives the idea of impersonating a dummy. He is very successful for awhile but finally is caught. "An Arizona Romance" is a western drama in which a tragedy almost occurs on account of two costumes being identical at a fancy ball. It takes some months to untangle the snarl, but finally all is well. "The Oath and the Man" is a beautiful Biograph drama, based upon the presumed rights of feudal lords to any woman among the peasants whom they might fancy. After the noble commands a peasant's wife to go to his castle a revolt breaks out among the peasants and the couple are obliged to accept protection at the hands of the outraged husband, and they are forced to remain in hiding while the mob devastates everything in sight.
